

Know Your Rights Informational Forum

We welcome all Ames and ISU communities to attend and participate in a panel discussion. There will be time for questions.

This panel forum will provide the following information:

- What are the rights and information for immigrants including undocumented members?
- What are the resources including legal support for how to move forward if you already have DACA or thinking about DACA?
- What are some ways to address hate incidents and racial slurs post-election?
- What are some community resources for ongoing support, especially as you integrate into a new community such as school, neighborhood, and/or faith-based community?

Tuesday, January 24, 2017
6:00-8:00 pm
Great Hall, Memorial Union

Representative Panelists from:
Iowa State University
